LOBATT HIGHLIGHTS

- Over 65 years experience in battery manufacturing.
- LOBATT is a premium quality product built with German technology.
- Production of over 5 million batteries annually in 4 state-of-the-art manufacturing plants, using only the highest quality raw materials to produce superior lead calcium alloy plates and plastic containers with equipment from Canada, USA, Italy and Japan.
- Exporting since 1992, to now over 70 countries including Europe, North & South Asia including Japan, Singapore, Australia.
- Suppliers on OEM to LUCAS UK, Ford Australia (Omni Craft brand), Hyundai Australia (Hyundai brand) as well to Bosch South America (Bosch brand).
- Manufacturing wide range of batteries for automotive, motorcycles, solar, inverters, electric vehicles, telecom, industrial and marine applications, including advanced EFB/AGM START-STOP batteries for export to Japan, Australia, Europe and North America.
- Strict Quality Control at every stage of production. The electro-technical test of finished product is carried out to check the 20 Hr Ah capacity, CCA and Charge Retention tests of all batteries produced.

FOR TROPICAL
ENVIRONMENT

Key Product Features

- Calcium-calcium-tin and calcium-silver maintenance-free battery
- Expanded metal grid technology
- Centered cast-on-strap plate
- Double chamber container with condensation mechanism
- Best grade virgin lead, pp and chemicals
- Robust design to perform in all terrain conditions

PANABIZ MARKETING AFRICA LTD

Nairobi Head Office

No.35, Dar-es-Salaam Road, Industrial Area, NAIROBI.
